Happy New Year

so many improvements >>>

When you walk in to the clubhouse, you may notice many changes.

Look down! New floor makes it easier to clean and looking modern. Be careful as it can be slippery when wet.

Look up! Light fixtures were replaced so that it looks brighter in the clubhouse.

Look all around! The walls were painted and look brand new.

It takes a village to make this happen, so thank you for supporting our fundraising efforts. Let's be sure to maintain the clubhouse and keep it looking great for years to come. All hands on deck; Clean up after use.

And, look forward to restroom renovations in the new year!

We wish you a great year!

Strength, confidence, braveness of a tiger

The board met to create an **exciting year of events for the neighborhood this year**. We hope the number of Covid cases comes down so we can still meet and stay safe and healthy.

Check out the yearly calendar on the following page and make sure you save the date for those events you want to join. But, don't feel like you are limited to just these events. If there is something that is not on the list, let us know and we can make it happen!

For example, for those of you who are **BTS fans**, I would love to put together an event (maybe celebrate some of the Member's birthdays, vendors, or just to get together). But, I don't know if there are other Army in the neighborhood. **SO**, if you are interested in collaborating, please email me at treasurer4lgca@gmail.com and let's party, party, yeah! **Borahae!**
