## Security Alert

Your help is needed in keeping the clubhouse secure and safe. Doors are still being propped open and we are still finding doors unlocked when no one is at the clubhouse. We have seen people hopping the fence to use the pool afterhours. **This is NOT acceptable.** Please remember that you **MUST** accompany your children and guests at all times. Board members will be reviewing the security cameras and will be asking to see membership key cards when necessary. Thank you for your cooperation.

## Clubhouse Rentals

Are you throwing a party and need a large space to host your family and friends? Consider renting the LGCA.
